Avita Community Partners, formerly Georgia Mountains Community Services, is a public agency formed by the 1993 Georgia State Legislature to serve persons experiencing the disabling effects of mental illness, developmental disabilities, and addictive diseases. The Avita Board of Directors consists of one representative from each of the 13 counties in the Northeast Georgia area and four elected officials who are involved in and committed to services and are responsible for guiding policy, contractual expectations, and representing both clients and community needs.

Avita provides behavioral health, developmental disability, and addiction services to deaf individuals and their families.

Counseling and Case Management services are provided by ASL fluent staff. Avita partners with the Georgia Department of Behavioral Health and Developmental Disabilities (DBHDD) and GA Center of the Deaf and Hard of Hearing Inc. (GCDHH).

Counseling services:

- Individual Therapy
- Group Therapy
- Family Therapy
- Medical Services

To qualify for services, you must have a mental illness or addictive disease diagnosis.

Case Management:

- Assist with increased housing stability
- Assist with job related activities
- Referral & Linkage

Avita's mission is to improve quality of life for persons with behavioral health and developmental disabilities. Our mission is achieved by providing person-centered care, partnering with families and communities, and nurturing the unique skills of our dedicated staff members.

Avita envisions all individuals served participating in a variety of relationships, having a home, a job, and a natural support system. Avita envisions communities which are knowledgeable and accepting of individuals with disabilities; act responsibly toward all citizens; are resourceful in providing support and comprehensive services; and have a plan to assist individuals in crisis.
